BUDGET

There are only two warrants left, with no problems to report. The interdepartmental transfers were completed at a meeting with the Advisory Board on the 9th of June.

DPW

Bid opening for the water line replacement project was on June 5th and there were 8 bidders with the low bidder being Cedrone Corp out of North Billerica MA at \$1,289,409.70. Projected start is the last week of June.

BOS CONCERN

Nick Davis raised concern about the configuration of the intersection at Route 12 and 101N. We will need to get estimates for the design and construction of the RT 12 and RT101N intersection. The State will also be solicited to move their road sign to a new location.

DOWNTOWN DAY

The organizers of Downtown Day on June 28th have requested that Main Street be closed from Pleasant to Central Streets from at least 10am to 2pm. There will be a cost for police which will be covered by the ABC.

FIRE UNION

I will be starting negotiations with the new Fire Employees' Union on June 25, 2014.

CABLE CONTRACT

I have contacted Attorney Bill Solomon to work with us on the new Cable Licensure process. AWCATV approached board and presented a plan where they will cover most of the cost if we use Bill.
